

DUE DATES: Fall: September 15 Spring: February 15

ESTIMATED ENROLLMENT

General Instructions

Report estimated full-time, part-time, and total headcount enrollment on the official CPE enrollment reporting census date (last date which a student may add a course for credit). Include any estimated enrollment from short-term courses beginning after the census date. The estimated enrollment should be reflective of the total anticipated enrollments to be submitted to the Council in the official reports for fall (in November) and spring (in March).

Semester: Fall_____ Spring _____
